— BUILDING PROJECTS LLP —
AN EPITOME OF CLASS

Liora Building Projects LLP, is a real estate enterprise that excels in premier commercial properties, luxury living and aesthetically designed spaces.

We believe that home owners who aspire for luxurious and comfortable spaces, and corporate clients who seek ergonomic and sophisticated work environments, will be extremely delighted with Liora's vision and its approach to people, design and quality.

We are dedicated to exhibit excellence and authenticity with superior quality projects, and timely delivery that is always guaranteed.

In the next ten years of our journey, we at Liora driven by our founder, the team and our happy customers, aspire to be listed and be a 3000 Crore turnover company.

pearl house
SANTHOME

Liora's Pearlhouse, is the perfect home in "Santhome" for those with an eye for luxury and quality. Inspired by architecture and elements of ergonomic luxury, this stunning living space is definitely a standout piece of architecture, positioned right at the centre of Santhome, with the beach schools and other facilities in close proximity. This is the best choice for those looking to experience the living that is a class-apart, and with the buzz of the city life in every possible way.
